I play the flute since I was 7. I started in France and continued my studies in Turkey, Istanbul. I had the chance to participate to many master classes and competitions in France, Turkey, Bulgaria and Switzerland. Here are some of my achievements: First Prize unanimously with the congratulations of the jury at: « Concours Flûte Gammes » in « A2 Émérites » category in Switzerland (Gland) and at the « 11th edition of Flutissimo » in France (Nice).

Since two years, I'm studying in the conservatory of Nice in the class of Sibel PENSEL.
